Gregory J. Nickels, Mayor

March 26, 2003

Dear Northgate Neighbors:

Good things are happening at Northgate!

We had a great turnout for the March 19 Northgate open house. Hundreds of neighbors came to hear about exciting changes coming to Northgate and to the surrounding neighborhoods. After years of planning and paralysis, we are delivering on the Northgate Area Comprehensive Plan!

The event was such a success that I've decided to hold another open house and also a tour of the Meadowbrook Pond, as an example of what we're planning at the south end of the mall.

The second open house will assist those who couldn't make the first meeting, who may have questions following recent press coverage, or who want to learn more about the new library, community center, expansion of the mall and other changes coming to Northgate. I'll be joined by representatives from the City, King County and Northgate Mall who will be available to answer questions.
